BETTER**

CASE FOR SUPPORT

WE BRING PEOPLE TOGETHER, TO MAKE THINGS BETTER.

We bring people together (friends, neighbours, large employers and small local businesses) and create a network of giving.

Individual gifts are combined to make meaningful and important investments in our community.

We then work with our local partners and help them provide the services most needed in our community so that your gift is truly used **to make things better**.

41% of students do not eat breakfast every day during the school week.

1 in 10 Canadians live in poverty.

33% of Canadian youth aged 15-24 report having issues with mental health or substance abuse.

100% Local.

BRANT FOOD FOR THOUGHT

Brant Food For Thought contributes to the learning potential of over 9,700 children and youth each week as hundreds of volunteers serve nutritious snacks and meals in local schools. This would not be possible without our Volunteer Management Program, which is funded by Brant United Way.

BRANT SKILLS CENTRE

Each year, Brant Skills Centre supports 600+ people to further their education, improve their job prospects or simply gain new skills that make their lives happier and more meaningful. Without Brant United Way, we would have to turn people away, rather than helping them turn things around.

BIG BROTHERS BIG SISTERS

Big Brothers Big Sisters of Grand Erie provides youth with a mentor, role model and friend when they need it most. With over 400+ youth matched, we still have nearly 250 on our waitlist. Without funding from Brant United Way, hundreds of youth dealing with isolation would continue to feel alone.

Community Focused.
