

# A MESSAGE FROM **BOB SPROUL**

**Chair 2018**  
Campaign Cabinet

---

I've spent my career helping people stay safe. I try to do the same as a volunteer for Brant United Way. **I believe it is important to come together to make a stronger, safer community where we all have opportunities to grow, play and belong.**

As the Chair of the 2018 Campaign Cabinet, I have the privilege of leading a team of dedicated volunteers who have come together to help create the best community we can call home.

This year marks the **70th Campaign** for Brant United Way. **Since 1948 nearly \$52 million** has been raised and invested back into our community.

I am inspired by the accomplishments of the last 7 decades and I am thankful to all those who came before.

**I ask you to join me as we continue this legacy of giving.**

You can help with a financial gift, by joining us as a volunteer or taking action establishing a campaign in your workplace.

**Together we can make things better** for those most in need in our community.
